

TOMAN BIKE SHOP

Request for Development of Toman Bike Shop Share Dashboard

We are need of your expertise to develop a dashboard for “Toman Bike Shop” that displays our key performance metrics over the previous years highlighting their relevance to provide backing for informed decision making.

Requirements for the Dashboard

1. Hourly Revenue Analysis.
2. Profit and Revenue Trends.
3. Seasonal Revenue.
4. Riders Demographics.

Design: The design and aesthetics of the dashboard must be in line with the company colors and easy to navigate.

Dataset: The required datasets will be provided to you for the analysis.

Please provide an estimated timeline for completion and recommendation on raising prices next year.
